

**El Salvador**  
**Minister of Labor and Social Welfare**  
**Mission, vision and objectives**

---

**Mission**

We are the governing body of the public administration in matters of Labor and Social Welfare, guarantor of labor rights, based on dialogue, social agreement in a framework of equity and social justice.

**Vision**

To be an institution that provides quality services, with warmth and efficiency to the working population, transparently exercising public management, based on social justice, inclusion and gender equality.

**Objectives**

- Promote access opportunities to decent employment.
- Ensure the effective verification of fulfillment of labor rights and decent working conditions.
- Strengthen the mechanisms and instruments of dialogue between employers and workers.
- Contribute to the Salvadoran State's compliance with international labor treaties.
- Position the Ministry as a modern institution, focused on the management of quality, warm, inclusive and equal labor services.
