

**Honduras**  
**Secretary of Labor and Social Security**  
**Mission and Vision**

---

**Mission**

We are an institution that develops continuous improvement processes; governs policies and strategies of the labor market, the welfare and social security systems, promotes a culture of dialogue and agreement in the labor relations, contributing to peace and national development.

**Vision**

By 2038 we will be a well-positioned institution that possesses credibility and respect of employers and workers, guarantees decent employment, adequate professional training, good relations between sectors, social protection in terms of social welfare and social security for the development of the human being.
